The reset charge would apply to an account where we had to make a service call and found the meter missing/removed illegally/previously removed at the owner's request.

Tim,

While proofing our exhibits, Dave Sheard had a question regarding Schedule Lc-1. He's curious to know under what circumstances the Meter Reset Charges apply. Can you help with that? Do you think there should be some narrative under that section to explain what it is (similar to the other charges in the schedule)? Thanks!
